## Teachers' Department.

This Department is designed to fit young ladies and gentlemen expressly and thoroughly for the work of teaching Common and other Schools. It is under the supervision of a single Professor, who has all the facilities necessary for a thorough accomplishment of this important object. Its labors are performed by recitations and lectures on all the topics, theoretical and practical, necessary to a mastery of this profession. The department has hitherto been abundantly successful, having sent forth more School Teachers than any other Institution in the country.

## Cabinet.

The Cabinet of mineralogical and geological specimens embraces an ample collection of rocks, soils, &c., &c., including a full suit received from the State, and is deemed quite equal to the wants of students pursuing these branches.

Students of the Seminary also have access, at stated times, to the extensive Cabinet of Natural History in Genesee College.

Board in the Hall, including Fuel, Washing and Furniture,.... 2.25 per week.

Students furnish their own lights, pails, wash bowls and mirrors. During the Fall and Winter Terms the ladies will be charged \$1.25 per term for sawing and carrying wood to their rooms.

Tuition will be charged from the time of entrance to the close of the term; and no deduction will be made, except in cases of previous agreement, or of continued sickness. No deduction is made for those who enter within two weeks of the commencement of the term.

The Boarding Hall is under the direction of the Steward, who is employed by the Trustees, and has no pecuniary interest in the profits and losses of the establishment.

Parents may therefore rest assured that good board will be furnished for their children, and that every necessary attention will be given them in case of sickness.

Communications on the subject of Scholarships should be addressed to Rev. B. Shipman, Treasurer of Genesee College; on the subject of board, &c., to L. S. Bannister, Esq., Steward; and on other matters, to the Principal.

Payment for Board and Tuition must be made quarterly, in advance. But in case a student is obliged to leave the Institution on account of sickness, his money will be refunded.

None will be considered members of the Institution until they have called on the Treasurer, arranged their tuition, and registered their names, ages, and place of residence, with the Principal or Preceptress.

Damages to the building and furniture are charged to those who commit them, or to the occupant of the room.

## Location, &c.

This Institution is located in the most healthy and beautiful portion of Western New York, in the midst of one of the most productive and thriving farming regions of the State. It is easy of access, being only eighteen miles from Rochester, with which it is connected by a good plank road, and only four miles over the same plank road, to the Canandaigua and Niagara Falls Railroad. It is also within five miles of the Buffalo and Corning Railroad. We thus enjoy the advantages of railroads, without the disadvantages, which, if passing through the place, they would occasion to a school like ours.

While the Institution is decidedly unsectarian, the utmost attention will be paid to the moral and religious welfare of the students. We are happy to record, with gratitude, that these exertions have, with the blessing of God, been very successful.

It is very desirable that students should be here to enter the classes at the beginning of the term; otherwise, they will find themselves so far behind as much to embarrass them.
